2019 Membership Application / Renewal Form

The Western Massachusetts and Albany Association for Psychoanalytic Psychology (WMAAPP) is an interdisciplinary association whose members share an interest in psychoanalytic theory and practice. We are psychologists, psychoanalysts, social workers, mental health counselors, psychiatrists, nurses and others who seek to support each other in our scholarly and clinical work.

Through seminars, educational programs, local study groups and discussion groups we hope to join with others in keeping the psychoanalytic community alive and well in Albany, Columbia County, the Berkshires and the Pioneer Valley.
